Petition to Withdraw Holding of Abandonment Based on
Failure To Receive Office Action

To the Att. of Pr. Examiner John Kreck and

~~To the PETITION OFFICE of USPTO~~ Fax No 001-571-273-8300Dear Mr. Kreck, *Gentlemen,*

following the advice of your letter from Dec. 08/2005 regarding this "Petition to Withdraw..." I contacted the "Inventors Assistance Center" of the Patent Office and have been told that there is NO FEES on "Pet. to Withdraw Holding of Abandonment on Failure To Receive Office Action"; also that there is no special Office Form for such Petition and that I shall sent the petition to you for solving this vexing problem (of unfair abandonment).

Since you advised me, on the other hand, to send my petition to the PETITION OFFICE of the USPTO, I am sending a copy of this document also to that Office INCLUDING my herein enclosed Declaration in support of the Petition.

So fare, I did not replied your Office Paper from 11 April 2005 because, I NEVER RECEIVED IT. Since last 2004 year I am living in the Capital of Bulgaria -SOFIA- however, my above displayed American Address is still good because, that is the house of my son Julien Michaels, who is the owner of the house. My son is always e-mailing me all letters sent to me on said address. Julian told me that he never received your Office Action from

11 April 2005. Obviously, being my son, Julien has no reason to hide any ^{of} my mail from me.

Accordingly, I beg your help TO WITHDRAW THE HOLDING OF THE ABANDONMENT OF MY PATENT APPLICATION, ON GROUND OF FAILURE TO RECEIVE YOUR OFFICE ACTION.

To help you doing that I am hereby enclosing also a DECLARATION in SUPPORT of my Petition to Withdraw the (unfair) Office Abandonment of my invention.

I wonder why the patenting of my invention is for so long time protracted, while both my "PETITION TO MAKE SPECIAL" [MPEP §708.02; 37CFR 1.102] and my Request Under MPEP §707.07(j)] were honored. I believe that you are aware that there is no provision for "Withdrawal" of said special status and also that in accordance with 35 U.S.C. 103 Patentability shall not be negated by the manner in which the invention was made.

It is Fear to note however that you never intended such negation; hence, I rather expected a "NOTICE of ALLOWANCE" than a "NOTICE OF (OFFICE) ABANDONMENT" of my above veryvaluable Patent Application.

WHEREFORE,

I believe that am now correctly requesting you TO WITHDRAW THE HOLDING OF ABANDONMENT OF MY ABOVE IDENTIFIED INVENTION, BASED ON FAILURE TO RECEIVE the OFFICE PAPER from said 11 April 2005.

Dated 19 December 2005 in SOFIA, BULGARIA.
